Dear Rognhild,

Thanks for the two cards  
and letter. Anita is writing to  
you herself thanking you for  
the handkerchiefs. I wish you  
could have seen her when they  
arrived. She was so proud  
of her handkerchiefs from  
Denmark

I wrote and asked Etta for  
your address after I received  
your Christmas card. I haven't  
heard yet. So was glad to see  
your address on the letter.

We had a lovely Christmas  
we closed the diner Monday  
noon and reopened Thurs. Morning  
Kenneth was old enough to  
enjoy it this year too. So had

you couldn't have spent Christmas  
with us here in U.S.A.

Did your sister have a nice  
wedding. And did you have  
a nice trip back to Denmark.

We have so much pleasure  
from our television. You better  
come back over so that you can  
enjoy it with us.

We had company the other night  
to watch television. And we didn't  
get to bed before 1:30. - So you see  
it has its bad points too.  
Sometimes we just can't break  
away.

So far we have had a very  
mild winter. It can't be to  
bad as we saw already in  
the middle of January.

Kenneth just woke up from  
his afternoon nap and demands  
attention as Anita wrote he is

getting bigger & cuter every day.  
Now that he can walk and  
run after her she is very  
proud of him.

Hope this letter finds you in  
best of health. Hurry and come  
back to the U.S.A.

With regards from  
us all.

Peter, Angie & Kyle
