Dear Ragnhild,

Our plans are almost complete now and we have our reservations on Trans World Airlines (hopefully their strike will soon be over) and we will be arriving in Copenhagen the morning of May 27th. We'll be staying until Sunday morning June 1st and again June 22nd and 23rd at the Hotel Ascot on Studiestraede. The phone their is 01-126000.

It hardly seems possible that it's just a little more than two months until we'll be in Denmark and can meet you .

I had some exciting news today. I heard from my cousin, Dorothy who I haven't seen in about fifty years. I wonder if you might have met her when you visited Oneonta. She lived for a few years with Olga, Agnes and Carrie while she attended the teachers college in Oneonta. A few years ago she was widowed. Just this last fall she met again Axel Jensen who she had known ^{there} many years ago in Oneonta. (He had returned to Denmark, married and also been widowed.) At Christmas time they were married. And now they are planning to be in Denmark and we should be able to see them then.

Hope our arriving at the end of May won't interrupt any vacation plans you might have made.

Until the end of May, love,

Joy
